IN MINISTRY  
TOGETHER

*Your giving through  
Our Mission Covenant  
makes connectional stories  
like this one possible.*

**We believe that God's  
Word commands us  
to meet the needs of  
"the least of these, our  
brothers and sisters"**

**(Matthew 25:40)**

## The Foundry

A Service of Consecration for **The Foundry Christian Community Center** was held on Sunday, September 26th. The Bowling Green District voted to buy the former Boys and Girls Club of Bowling Green facility located on the west end of town. The 14,000-square-foot building has a gym and four acres of surrounding land.

The Bowling Green District of the United Methodist Church voted to buy the club to strengthen ministry on the west end of town. "We wanted to invite our district churches and community to have a blessing upon this place," said Methodist District Superintendent Mike Powers.

Local Hispanic congregation Corazones Christianos will hold services at the new building, along with the Foundry Christian Community Center, which is designed to develop partners with local ministry.

"We will lead the way on this," Powers said. "But we sincerely want to develop partnerships with individuals and other churches."
