

Our Connectional Stories

IN MINISTRY TOGETHER

Your giving through Our Mission Covenant makes connectional stories like this one possible.

Wesley House Community Services is a related to the General Board of Global Ministries of the United Methodist Church that serves the metro Louisville community. Our mission is to “help people help themselves.” Through our Youth Brigade Academy, youth are provided with educational, mentoring and social activities Monday –Friday to help break the cycle of poverty in the community we serve.

One of our life-changing stories at Wesley House is that of Monica. Two years ago, Monica and her husband were both working full time jobs and their three girls attended school. Monica approached a Youth Specialist at Wesley House. She didn’t have anyone to care for her young girls after school. Our youth specialist told her about Wesley House’s after program and that we even had a vans that would transport her girls to the program. Monica was so excited because she worried about the care and safety of her daughters. Everything was going smoothly for the family. Then, tragedy struck—first Monica’s husband died, shortly after that, she lost her job. Wesley House stepped in, and hired Monica as a youth specialist. Monica was able to not only be with her girls while she worked, but is now working towards an Associates Degree in Education at Jefferson Community College.
